ST. BENEDICT PARISH HISTORY—In 2025, the parish will be celebrating 70 years of Catholic faith. For several years, a group has been working on a book of the history of the parish to mark the occasion. This effort has resulted in gathering together files of minutes, letters, newspaper articles, plans and drawings and other historical detail. As the collection is being assembled and organized, a central archive room has been established. It is available to any parishioner who may have items of historical value and wishes to have them preserved at the church. In addition a display case for artifacts representing moments of our history is being prepared and people are welcome to offer items for display.

Below are some of the advertisers who make our bulletin possible.

If you or your company would like to sponsor an ad,
please speak with Msgr. Domin after any Mass for details.
